Dear Parents / Guardians,

Pre-Secondary 6 Tutorial Lessons

To help our coming S6 students make good use of the summer holiday and get them familiarize with the 2025 HKDSE examinations*, two stages of tutorial lessons are arranged. Please see the attached for details.

Students who are going to participate in the tutorial lessons have to compile with the school regulations.

- 1. Students have to be neatly attired in the proper school uniform and maintain a neat and tidy appearance requested in the school rules.
- 2. Students should be punctual for school and swipe their student ID cards on the attendance machine.
- 3. Students should arrive at the classroom at least 5 minutes prior to the start time.
- 4. Students who cannot attend school because of sickness should notify the School Office by parents before 9:00am (Tel.: 26021000). They also need to hand in their letters for sick leave together with the doctor's sick leave certificates when they return to school.
- 5. If the Education Bureau announces that school classes will be cancelled due to inclement weather, tutorial lessons on that day will be cancelled.

Parents are advised to encourage their children to actively participate in the tutorial lessons and be punctual for school.

Thank you for your attention.

*Attached please find the 2025 HKDSE examination timetable.

Yours faithfully,

Principal of Lock Tao Secondary School
