書 名 :《TOY STORY - The Junior Novelization》著/編者: Disney Press

出版社: Random House出版年份: 2009索書號: F DUB 2009登錄號: E13735

This story is about the secret life of toys. Woody the cowboy has always been the favourite toy, until the space ranger – Buzz Lightyear appeared.

I'm pretty sure many of you are familiar with this movie, but have you ever read through the book literally? How many of you noticed this classic animation was the first ever movie produced by the Pixar?

Just some more information about the movie background. The founder of Pixar was actually the same person who has co-founded the Apple Inc. Yes! The iPhone you are holding on hand now, stunning huh?

By now, you may notice these two legendary products are created by the Company of Steve Jobs. So, students if you have time during the weekend or holidays, I wish you could put your iPhone (or smartphone) aside, and let's review this story together.
